

South Wind Stables Schooling Show

Sunday August 16th, 2020

Please come with a mask and be willing to wear it.

Welcome to our third show of the season. Please realize that things will be different due to COVID. Please be patient with us and your fellow riders. Please leave dogs and extra people at home. Please take your temperature Sunday morning. If you do not feel well, or your temperature is over 100, please stay at home. We will give you a credit for the next show. Please be prepared to social distance. Consider using your horse trailer instead of the Porta Potty. The Porta Potty at the barn is for volunteers, staff and boarders only.

There is a Porta Potty at the white house, near the trailer parking, for competitors.

Please wait until all of your tests are ridden to come & pick up your scores.

Please do not bring spectators.

Please come with a mask and be willing to wear it.

MASKS ARE MANDATORY EXCEPT WHEN RIDERS ARE MOUNTED.

We will have our usual good food, modified menu
